THE INTERNSHIP

Dive into the world of parks & recreation with hands-on experience in youth and adult programming, adaptive sports (soccer, softball, swimming), and special events. As an intern, you'll see the behind-the-scenes planning, from financials and marketing to logistics, and watch it all come to life! Gain real-world skills in event coordination, community engagement, and recreation management while making a lasting impact. Perfect for students in sports management, education, recreation, or event planning looking to build a strong foundation for their careers!

As a VCPR intern, you'll help plan and run National Parks & Recreation Month, one of Valley City's biggest summer celebrations! Gain hands-on experience in event planning, community engagement, and recreation programming while assisting with events like the BBQ Cookoff, City Park Block Party, Pickleball & Volleyball Tournaments, and Safety in the Park.
